FIREWARDS' REPORT

The clerks of the two fire engine companies report the following fires for the past year.

The Village Dept.:

10 chimney fires
2 truck fires
1 house fire

The Depot Dept.:
11 chimney fires
1 house fire

The housefire reported was the house at Laurel Lake owned by Mr. Hastings of Worcester, Mass., and was totally destroyed. Partially covered by insurance. Cause of this fire, accidental grass fire.

At a meeting of the Firewards after the hurricane and flood of Sept. 20-21 it was decided to be inadvisable to expend the $500.00 (raised at the March Town Meeting) for water holes or fire tanks owing to the water soaked ground and the scarcity of labor. This notice was sent to the Selectmen. They to spend this money as they fit for this year.

The Firewards recommend buying more 1½ in. hose for the hand portable fire pump plus more axes to combat forest fires which may occur owing to the fire hazard that will be with us this coming year.

We report the equipment of both companies to be in good condition,

Respectfully submitted,
CLARENCE M. DAMON, Chief,
HARRY E. FLAGG, Clerk,
OSCAR G. YON,
Firewards of Fitzwilliam.

GRAVE FOREST SITUATION FOLLOWS SEPTEMBER HURRICANE

Woodland problems of timber salvage and fire control created in many towns by the September hurricane are of the greatest importance. GOOD CITIZENSHIP CALLS FOR PERSONAL AND WIDESPREAD ACTION!

The salvage of every thousand feet of logs which can be sold means money for landowners, wages for workers, employment for trucks, teams and machinery, as well as reduced forest fire hazard for all. If owners of windthrown timber have not yet acted, they should communicate with those who can help. TOWN CHAIRMEN are fully informed; STATE ADVISORY AGENTS can help to start logging by suggesting names of operators and giving other useful advice; FEDERAL AGENCIES are increasing the number of log storage places as rapidly as possible. INDIVIDUALS MUST NOW COOPERATE!

Forest fire danger for several years will be greater than usual. So much work must be done by public agencies to reduce hazard along roadsides, near improved and other exposed areas that many places will remain hazardous for some time to come. INDIVIDUAL LANDOWNERS MUST TAKE A PERSONAL INTEREST! Aid in clean-up work through the Agricultural Conservation Program is available to any woodland owner at $4.00 per acre on areas up to 15 acres. The County Agent should be consulted.

Support your local Forest Fire Wardens and Deputies. They are planning, with State and Federal agencies, an intensive campaign to control fires. Help them by strict observance of the fire laws. Kindle no open fires without a permit from the Warden except when the ground is covered with snow. Cooperate by reporting fires you may see and in other ways. Fire fighting tool supplies are inadequate and should be reasonably increased by many towns. YOU CAN HELP, AND IT WILL PAY. TO PREVENT FOREST FIRES!

RODMAN SCHAFF,
Treasurer.

February, 1939.

Having examined the report of the Treasurer of the Town Library, I find the same correctly cast and properly vouched.

JOHN S. BLAIR,
Auditor.

The library strives to be a service organization and aims to cooperate with the schools in encouraging the students to read. Our project this year was a vacation reading contest, "Round the World." The books were carefully selected and graded to meet the needs of pupils in the third to ninth grades, inclusive. Thirty-seven students signed for the "cruise." Ten read the required number of books and received their diplomas at a party held in the library.

The importance of the part books play in modern life can not be over-estimated. The library has many kind friends who liberally donate books and magazines. These are greatly appreciated by our library users.

Our circulation increases each year. This means more people use the library. Our limited space must be utilized to the best advantage to take care of these friends and their needs. At present our stacks are quite inadequate to take care of the volumes on hand. Each year between two and three hundred books are added and soon there will be no place to put them. The current new books need to be displayed to better advantage. The desk should be nearer the entrance that registration and borrowing may be made easier. These changes would make the library more workable.

What can we do to attract more readers? Mr. Arthur Plante very kindly helps out, giving of his time and the use of his store as a branch station.

There are yet many homes in town we do not serve. The library is YOURS. Come in and make free use of its services: borrow its books and magazines.

MAYE B. SAUNDERS,
Librarian.

THE REPORT OF THE FITZWILLIAM DISTRICT NURSING ASSOCIATION

From January 31st, 1938 to January 31st, 1939

Visits by the nurse, include the following items: Obstetric cases, 29; Postpartum care, 94; Newborn, 94; Non-communicable diseases, 204; Antepartum, 38; Adult, 125; Social Service, 85; Pre-school, 219; Infant, 42; School Children, 175.

The annual physical examination given the school children by Dr. Emerson, the nurse assisting, took place in October and November. School census at the time of examination was 114. The following defects were found: Diseased tonsils, 11; adenoids, 11; defective vision, 9; corrected by glasses, 7; 10% underweight, 19; anaemia, 2: valvular heart, 1; poor posture, 6. During the school year 11 children were excluded from school for whooping cough, and one for measles. All have been vaccinated.

The dental examination was conducted by Dr. Gordon A. Conboy of Keene in November. It was found 90 children were in need of dental attention, 6 had perfect teeth, 13 had no work to be done, and 5 were absent. Sixty children have been transported to the offices of Dr. Conboy and Dr. Robert H. Barnard in Keene, N. H., accompanied by the nurse, and had all work completed except two who had work partially done.

During the summer a clinic was held at the Elliot Community Hospital in Keene, for the removal of adenoids and tonsils. When possible, this operation is performed on children the summer previous to entering school.

Several individuals have contributed articles of clothing that have been distributed through the Association and the nurse. The Woman's Club gave a sum of money to be used by

the nurse for articles that might be found necessary in the nursing work. Mrs. John H. Wheelock made and gave several receiving blankets, Miss Butland knitted and gave babies' socks.

During the fall term, games and toys were collected by the school children, that could be repaired and repainted. This work was completed by the Junior High School manual training department under the supervision of Mr. Properzio, and distributed through the cooperation of the Woman's Club.

Mr. Samuel S. Simonds, as in previous years, has contributed generously to the children of the grade schools, supplying them from time to time with candy, games, fruit, nuts and subscriptions to magazines.

Cod-liver oil and milk have been supplied to the underweight children.

It is through the cooperation of the many friends of the nursing association that much of the year's work has been accomplished. I wish to extend my appreciation to each and every one who has contributed of time and in other ways to the success of the Nursing Association. Especially do I thank Mrs. Jennie Fisher for the splendid cooperation at the time of my illness, also the school board, teachers in the schools, Dr. Emerson, and all the officers and members of the District Nursing Association.

Signed,
MARGUERITE E. DAVIS, R. N.,
District Nurse.

Total,	5	13	17	14	11	13	14	8	7

These promotions are made on the following points: Regularity of attendance, term rank, standard tests and examinations given by the teachers.

Metropolitan Achievement tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade.

These tests are very helpful in the gradation and placement of our pupils. By their use much of the personal equation of the individual teacher is eliminated. They show up not only the strong features but also the weak in our educational system.

Art: During the year, a course in Art was carried on by Mrs. Rodman Schaff. Mrs. Schaff made 97 visits to the respective schools. This course proved itself very popular among teachers and pupils. Helpful and effective work was done and several promising talents along this line were found among the pupils.

Graduation: Junior High School graduation exercises were held at the Town Hall on June 16, 1938.

Marlborough, N. H., Feb. 18, 1939.

REPORT OF THE SUPERVISOR OF MUSIC

The Music Supervisory work is again on the basis of a visit once in two weeks, but the teachers have carried on faithfully in the absence of the Supervisor.

Having procured a radio last year, the State Line School is now privileged to listen to the N. B. C. Music Appreciation Hour conducted by Walter Damrosch and to follow up the

work with note books prepared by the N. B. C. for that purpose, as do the other schools in town.

Last fall pupils of Grades IV-VI in the Depot School formed a Harmonica Class.

Junior High has listened to a part of one set of records borrowed from the State Library in conjunction with particular Music Appreciation study.

I am grateful to all teachers for their cooperation and accomplishments, and to the Superintendent and School Board for support in this phase of the Educational System.

Respectfully submitted,
MILDRED WHITCOMB.
